

## Training Providers

### Learn to sail

**Manly Sailing** offers learn-to-sail courses for children and adults.

Manly Sailing's introductory course - the YA Keelboat Crew Course - is perfect for learning the basics of sailing over four, three hour lessons.

Manly Sailing conducts Term Time Sailing Programs and School Holiday Sailing Camps for children between the ages of 7 and 14 years.

Visit [www.manlysailing.com](http://www.manlysailing.com), call 9977 4000 or email [info@manlysailing.com.au](mailto:info@manlysailing.com.au)

### First Aid

#### Surf Life Saving Association (SLSA)

<http://www.surflifesaving.com.au/find-a-first-aid-course/w1/i1001257/>

NB Yachting NSW Silver Card members are entitled to discounted rates for First Aid courses through Surf Life Saving NSW (details here).

## **Boat Licence Courses**

MYC members wishing to obtain a General Boat licence can either take a DIY approach or attend a training course.

### **DIY approach**

- Complete the compulsory General Licence Boating Safety Course by studying the **theory** in the Maritime Boating Handbook, available as a download ([http://www.maritime.nsw.gov.au/rec\\_boating/sbh\\_pdf.html](http://www.maritime.nsw.gov.au/rec_boating/sbh_pdf.html)), or get a copy from your local NSW Roads and Maritime Services office or Marine Rescue NSW unit.
- All theory via Maritime NSW is here <https://online.maritime.nsw.gov.au/OnlineBSC/>
- Provide evidence of **practical boating experience**. Practical requirements can be completed by attending a course or completing a competency log for 12 months, with details verified by an experienced skipper holding a current Boat Driver Licence. Details here. ([http://www.maritime.nsw.gov.au/rec\\_boating/boatingsafety.html](http://www.maritime.nsw.gov.au/rec_boating/boatingsafety.html))
- Successfully undertake the **general licence knowledge test** at a NSW Roads and Maritime Services service centre (<http://www.maritime.nsw.gov.au/locator.html>) or recognised training provider (RTP), including Marine Rescue NSW.

### **Training courses**

All these elements are included in courses offered by Maritime NSW-recognised providers

[http://www.maritime.nsw.gov.au/rec\\_boating/boatingsafety.html](http://www.maritime.nsw.gov.au/rec_boating/boatingsafety.html)
