

Manly Yacht Club

Positions Available - Coaches Green Fleet

Manly Yacht Club requires coaches for the 2017-18 season to support its Green Fleet program and we are inviting qualified coaches to express an interest in joining our team.

Coaches will need to hold an Australian Sailing Coaching qualification (or equivalent) as well as a working with children check and a boat licence. The Green Fleet will sail on Saturdays and Sundays as detailed in the MYC handbook.

The successful applicants will work with our head coach Marcus James to deliver quality instruction to the 30 children expected to enrol.

Depending on experience and qualification the wage will be about \$25 per hour.

Those interested in applying should contact the Manly Yacht Club Manager by email
