RISK NOTICE (All participants)

This RISK WARNING is issued jointly by Manly Yacht Club and Roads and Maritime Services, pursuant to the Civil Liberty Act 2002 to all persons wishing to participate in the sailing activities conducted by Manly Yacht Club.

Participants are warned that, regardless of the precautions which might be taken by reasonable and experienced persons, sailing can be a dangerous pursuit and participants are exposed to significant risk of property damage, physical harm and possible death.

As an indication, these risks may include, but are not limited to:

- The extremes of weather and sea conditions.
- The potential that control of vessels may be lost, resulting in collision with objects and other vessels.
- The sudden movement of the vessel at any time and the possibility that participants may fall or be thrown overboard, resulting in drowning.
- The possibility that participants may be injured by equipment on the vessel.
- The absence of immediate medical care and the likelihood that significant delays may occur before medical care is available.
- Exposure to the elements for extended periods.

Manly Yacht Club and Roads and Maritime Services also warn participants that regardless of their best intentions, they may be unable to render assistance to participants who are in distress.

Manly Yacht Club reminds participants that when sailing, really serious injuries of the type that can cause permanent disablement or even death are statistically very rare but can and do occur. As with any water sport, the possibility of drowning is also present. While for many sailing activities a support boat might be present, the boat cannot be everywhere at once, cannot observe every incident that occurs and may not always recognise an observed incident as being a serious one requiring immediate response. First aid or medical assistance is not always available.

Manly Yacht Club further reminds participants and visitors to be cognisant of slip, trip, cut and moving object hazards in Manly Yacht Club environs, including buildings, storage areas, rigging deck, jetty, pontoon and launching ramps.

Participants are warned to consider the above risks and all other risks before deciding to participate in any sailing event with Manly Yacht Club.

Note Well

Participants are advised that although Manly Yacht Club is covered by third party liability insurance, **this cover DOES NOT extend to participants.**

A personal accident insurance policy is provided with membership of Sailing Australia. Membership of MYC includes membership to Sailing Australia and it is a requirement of race entry that all crew of more than 3 races have Sailing Australia or similar membership.
