Notes: Casual entries do not count towards the pointscore (ie all yachts have their points adjusted as if the casual entrants were not there).
 Copernicus requested that the Sailing Committee use its discretion to award it average points since the boat was unavailable for Race 5 due to a scheduling conflict with the Sydney-Gold Coast race. The Sailing Committee will consider the request at its next meeting. If ratified, it improves Copernicus's pointscore from 21 to 18.3, moving it from 6th to 5th place, as shown above. This has no effect on race, series or barrel draw prizes.
