COMMODORE'S REPORT

Hello you excellent people!

With the yachtie Twilight, Marathon, Summer and Club Championship Series all now well underway (and haven't we had some remarkable racing and spectacular sunsets on the water?), many of your crew will have used up their allowance of 3 races and, accordingly, under MYC and Australian Sailing rules, they need to join a club in order to continue. So please apply some peer pressure and insist that they join! Come to that; why not ask some of your family, friends and work colleagues to join you for a few races? If the sailing bug bites, you gain a crewmember and we gain a club member!

WELCOME NEW MEMBERS

ADULT MEMBERS

Jeannie Opitz – sails on *Moonraker*

Paul McCarthy – part owner *Felix*

Jennifer Calzini – sails on *Whiplash*

Nicholas Pilz – sails on *Twocan*

Vladimir Deskov – sails on *Kryptonite*

MYC is a small club with just 240 adult and 60 junior members. So, whether you are a yachtie, laser racer, junior or parent, we need you to support our great little Club! So, as well as ensuring that we get membership revenue, please also come back to the clubhouse after a race and buy dinner and beverages from the bar.

Also, did you know that, as a club member, you get a discount on venue hire? So perhaps book your next birthday bash or work function at the club. For more details, talk to Sorrell on 0432 901 125 or email venuehire@myc.org.au.

In short, splash some cash to support your club!
Fair wind and following seas,

Muir Watson - Commodore

NOTICE BOARD

TO COME... OR... TO START...

(with apologies to Will...Ed)

INFORMATION FOR COMPETITORS AND RACE COMMITTEES

It was recently brought to the attention of the Sailing Committee, that, perhaps, a start time for a twilight race had been incorrectly calculated.

THE CAUSE: Boats who didn't race were scored **DNS** instead of **DNC** and the resulting algorithm placed some boats in a position where no time was gained for the next race.

It is of benefit to all competitors to check the results of previous races to ensure you, and your fellow competitors, have been correctly recorded otherwise it may cause you to start later than you should and it could cost you the series and that big trophy on Presentation Night.

It is incumbent on Race Committees, to the best of their abilities, to correctly record whether a boat has come to the start area or not shown up at all.

Your attention is drawn to **6.20.10 – General Conditions of Racing** – in the current handbook, and is reprinted here with permission...

- 6.20.10 The following scoring definitions will be used:
- DNC Did Not Come to the Starting Area. Will score 1 more than the number of entrants in the division
 - DNF Did Not Finish. Will score 1 more than number of entrants in the race that came to the start line
 - DNS Did Not Start. Will score 1 more than number of entrants in the race that came to the start line
 - RET Retired. Will score 1 more than number of entrants in the race that came to the start line
 - OCS On Course Side. Unless the SI provide for a time penalty, will score 1 more than number of entrants in the race that came to the start line
 - DSQ Disqualification. Will score 1 more than number of entrants in the race that came to the start line
 - ARB Arbitration Accepted. Will score an arbitrated penalty described in the Sailing Instructions.

NIGEL HOLMAN RACE FOR RUM

SUNDAY 15TH OCTOBER 2017

FUNDS RAISED \$760.00

THANK YOU RACE COMMITTEE

Nigel Holman Race 4 Rum

Our annual charity race has been run and won. A light to moderate breeze enabled us to set the long course for a nice look at our fabulous harbour.

It was a pretty uneventful race with no major dramas but importantly despite being more low key than previous we raised \$760 for the CanTeen charity which supports young people with cancer; a cause that Nigel was active in. CanTeen helps young people, aged between 12 and 24, cope, as their world becomes a haze of cancer terminology, hospitals, treatment and uncertainty.

PITTWATER YHA MINI REGATTA – DAY 1

5 November 2017

Race Day One of this season's Mini Regatta was potentially a wash out, with inclement weather a definite possibility. BOM predictions were dismal with rain forecasted and the breeze was supposed to be sick and from the East all day. As we all know, MYC doesn't have a lot of space in Manly to run an easterly course of any great length, so this just added to our concerns.

These trials and tribulations were not going to dampen the true spirit of our little club, so the Race Committee dug deep and came up with a great day of racing in the end.

First, we had to solve the problem of the short length of our Easterly course. We turned to Graham Radford, our club Handicapper - a real ideas guy - who was also the RO of the day. He tweaked the format of the course lay out and turned a great style of racing into a bloody ripper style of racing. Moving forward, we will probably adopt the courses for future Mini Regattas.

By the start of Race One, the rain had stopped and the breeze never dropped below 5 knots. The wind direction was only variable by 20 degrees, so with our hot Robbie R crew, the top marks were adjusted at lightning speed as to not hinder the flow of the day for the erstwhile competitors.

We had 7 boats show up, including some of the most hardened of the MYC fleet and their take no prisoners sailors. The day consisted of 4 windward/leeward races, using a course designed with a set of gate marks. This sorted out the gender nonspecific older participants from the gender nonspecific younger participants and to make it harder, the top marks were up under Sorbent Towers in a zone of death.

The starts were all hot, with the fleet on the line on the drop of the flag. As usual, the *Ballistic Bullet* was off like a bride's nighty for all the starts. She was only beaten once to the top mark and her kite work was impeccable.

Davis in his now ancient *Etchell*, was never far behind and had a daylong tussle with the *Mighty Pam*, the dinosaur of the fleet. *Esprit* was on a bender minutes after the 'go gun' sounded. She was at the top mark hoisting that big bloody red kite only to be bringing it back down a few moments later at the bottom gate marks; all with a virgin crew I might add.

PITTWATER YHA MINI REGATTA – DAY 1

5 November 2017

(continued from previous page)

The *Black Torpedo* was in a constant dogfight with the *Terrible Terra Firma Tapping Toucan*, swapping the lead in their epic dogfights all day. Amid this malaise, was *Miffin's Middle Harbour Marauders* with no spinnaker and no worries, as the light air was a total dream for the *Thrills* crew.

Due to the grey and dreary sounding forecast, the boating public pulled the pin on their plans for a day on the harbour. It was void of those rotten filthy Stink Boats; no other fleets were out; it was nice and flat; and we had North Harbour all to ourselves.

Afterwards, we retired back to the club for some great food and a fun filled prize giving. Without fail each year, the one comment I hear from the competitors is that the Mini Regatta series is the most fun racing that MYC offers.

Race Day Two is on Sunday, 21 January 2018 and we'd love to see you join in; with or without spinnaker. Not to mention your name will be entered in the draw for a 2-night stay at Pittwater YHA; a stunning secluded bush retreat in Pittwater.

MINI REGATTA DAY 2
SUNDAY 21ST JANUARY 2018
BE THERE!!

Overall the sailing has been tight and fun with a big congratulations the Nicole Butcher & Evie Saunders for taking out 1st & 2nd in heat's 11 and 12 of the Spring Point Score, both bagging two 1st and two 2nds! The girls are sailing really well this season and I am starting to get worried as I find myself being able to read their boat names, which is not good.

Special congratulations to both Ian and Ed heading north to represent Manly in the NSW Laser Coast Championships.

On the 22nd of October, the fleet raced for the first four heats of the Sprints, only this time in a Team format and it was a great day with four Teams of three. At the end of the day **Team SIC** came out the victor with Iain Cameron, Sam Jackson & Cameron Wall taking the wine ahead of **Team Saunders & Co** (Ian, Gordon & Evie), 4 points behind. In 3rd place was **Team Buzzcocks** (Reid Bros & Brem), on 79 who had to carry Pete Bremner who sailed very poorly on the day and could be replaced in the next round. 4th place went to **Team Tequila** with Ed, Nicole & Vivien.

Team SIC – Sam, Cameron and Iain

Laser start

As we rapidly start approaching the business end of the **2017 Spring Point Score** with four heats left to contend, it is 7 boats that could take home some silverware. Philip Reid is sitting nicely in 1st place and will be hard to beat as he has his eye firmly on the trophy. After Phil, there are six boats separated by only 6 points including Gordon, Geoff, Richard, Iain, Garth and Ben. Even Nicole has a slight chance to stand on the podium.

MYC LASERS REPORT

PEPPER TREE WINES

TASTES OF NAPOLI

Moving along to the **4P Championship**, which has been well received by the fleet this season with six heats contested. The "Reacher", Phil Reid has basically owned this series so far with a Net position of 6 points. Iain Cameron, however, is determined not to let Phil win this series and trails by only 2.4 points with Ian Saunders another 5 points back. Geoff Reid, as always, sitting around the 4-5th marker is another 8.2 points back in 4th. With another 10 heats left, I must say this will come down to gear breakage to see either Phil or Iain removed from the top spot.

The all-important **Pepper Tree Wines 2017/18 Club Championship** where Iain Cameron has very much stamped his authority on this series, however still a long way to go. Given that it is a hybrid reaching/slalom course its interesting that Phil sits in 2nd place 6 points behind Iain with the rest of the fleet hoping to connect this course in some moderate to heavy conditions. Marcus & Garth are also well positioned on the table followed by the usual suspects Geoff, Gordon and Ben. Ian Saunders would be well placed in this event although is carrying a couple of DNC's.

There is still plenty of sailing until the holiday break including the **NSW Open & Masters State Titles**, and the second round of the Teams event.

Special thanks to Ian, Dutchy & Geoff for officiating during October and doing a great job.

PRESTIGIOUS MARITIME SERVICE MEDAL AWARDED

Chris Mitchell has been awarded the prestigious Maritime Service Medal for service to the Sailing Community.

<http://hansasailing.com>

Chris Mitchell, founder of Hansa Sailing Systems, has been awarded the prestigious Maritime Service Medal in honour of his outstanding and continuing service to the Australian disability community.

The Minister for Roads and Maritime, Melinda Pavey, presented Chris with his award at the opening of the Sydney International Boat Show on 4th August 2017.

At the presentation of his medal, Chris spoke about his wife, Jackie, paying tribute to her as the mother of Sailability around the world.

Chris and Jackie are part of Sailability Shoalhaven, which sails at Nowra.

HAPPY SAILING DAYS...

October 4th ... For the first time in many weeks, the decision this morning was easy. A beautiful sunny morning, with winds up to 8 knots ensured a fabulous sailing day for us all.

Blair and son Hugh ... what a proud moment for all; Hugh helping his Dad to sail out on the open water, then slowly back to the pontoon. Manly a tear was wiped secretly while this was done, as it is a great milestone in Blair's life.

Thank you to the two Davids working away at the damaged boats left on deck.

October 18th ... was a gorgeous morning once the heavy cloud cleared away. The wind was a very kind North Easterly, which allowed for perfect sailing away from Manly Yacht Club and back without any interference from the ferries. The beautiful weather brought out a plethora of sailors, more than we needed, but enabled everyone to have an excellent time on the water.

AND ... A Sizzling Saturday 28 October 2017

Sizzling in the sense that incredible things were happening all day, making it a very exciting day both for Participants and Volunteers, as well as their carers.

First of all, we started in the usual way, by putting boats out and collecting Charlie's Chariot. Not a breath of engine/battery could be heard, so we asked the ever-obliging Chris to tow Charlie's Chariot across to the pontoon so that we could figure out what to do. When we tried to start it again, it was obvious that we needed to kick start the battery, or do an instant recharge, or borrow a different battery before we could get any of the sailing boats in the water with our participant sailors. Tried to kick start with an ordinary car-battery, didn't work, got a friend to put it on a trickle charge, borrowed a battery from one of the other MYC boats, which took an age because it was in a very awkward spot in the boat. Finally we were able to get started.

Then the day quietened down a little while we waited for the last group, Waitara After Hours. They were well named today, as we should have been packing up by the time they arrived, but we went ahead anyway, as they had been sitting in the van for so long, we felt that they definitely deserved a sail.

By the time these boats arrived back, the Manly Juniors were there with their huge variety of boats, and we all had a lesson in cooperation as we fitted the battery back into Nigel Holman, and put our boats away while the Juniors Dads and Kids were getting theirs out. Every square centimetre of space on the deck was taken up with kids, parents, riggings, extraneous bags, the barbecue being cleaned, and a hundred other things going on, so it was indeed a sizzling day.

Thanks to the volunteers. And Manly Juniors for your huge hearts in understanding our need for a battery, and the length of time it took to put back in Nigel Holman.

I think we deserve 3 huge cheers for today's efforts.

Hansa World Titles to be held in Hiroshima in October, 2018.

At least 2 New South Wales Branches will be sending a team, or a sailor or two to the **Hansa World Championships** in Japan next October.

Fund raising efforts, sailor training, arrangements for volunteers and transport of 2.3's and 303's are in full swing.

MANLY YACHT CLUB CHRISTMAS PARTY

Overboard at Christmas

Sunday the 17th of
December

MYC invites all yachts, friends, and family of Members to meet on the deck for a BBQ to celebrate the passing of another year (after a short race around the harbour).

The race is a pursuit start, with the prize winner being chosen from a short list of the "Best Dressed". Rules are 'flexible' and creativity is encouraged.

Enjoy the unique place we share as Members with your friends, crews and competitors, and watch the sun set over another year of great sailing from the top deck of your club.

11 am

Free Race Entry – Non Spinnaker; Handicap Start

1 pm

Post Race Party and Barbeque for all family and friends – BYO BBQ supplies and drinks as well as friends, family, crew, and anyone else.

PRIZE

Think you've got the gaudiest sleigh? - Prize awarded to the crew who've gone the most "Overboard at Christmas".

YOUTH CHARITY SEEKS 30 – 35FT YACHT - PROGRAMS FOR VULNERABLE CHILDREN/YOUTH

I'm wondering if you could assist us with our quest to source a suitable vessel for our sailing/marine programs for disadvantaged children/young people.

You may perhaps have a member at your club who is no longer able to use his vessel to the fullest extent due to age or infirmity. If so, we would like to explore the possibility of giving his/her vessel a good home. Our charity has been a Deductible Gift Recipient since 2005.

Our non-profit charitable organisation has been providing many thousands of disadvantaged/vulnerable children with a new lease on life over the past 16 years.

We are looking to expand our youth sailing/marine programs and seek an owner who may no longer be making full use of, and wishes to provide a good home, for his vessel.

Our youth sailing programs have the support of Glenn Bourke, former Americas Cup Yachtsman, triple world champion in the Laser class (see Youth Sailing Programs - Glenn Bourke Video):

Who Me?

This is a story about 4 people named **EVERYBODY, SOMEBODY, ANYBODY** and **NOBODY**.

There was an important job to be done and **EVERYBODY** was sure **SOMEBODY** would do it. **ANYBODY** could have done it, but **NOBODY** did it.

SOMEBODY got angry about that because it was **EVERYBODY'S** job.

EVERYBODY thought **ANYBODY** could do it but **NOBODY** realised that **EVERYBODY** wouldn't do it.

It ended up that **EVERYBODY** blamed **SOMEBODY** when **NOBODY** did what **ANYBODY** could have done.

*We have a very special resource at MYC. Let's **ALL** get a little more involved in the running of this club and take the load off the heavy lifters.*

NEW FRIDGE FOR THE KITCHEN

The rattly power consuming glass fridge in the kitchen has finally turned up its toes. Thanks to Club Manager Barry who has "sourced" a "new" fridge for us.

10.7 Friday Twilight Female Helm Series

A Twilight Female Helm series score will be the total of her race score (using the Low Point System in accordance with RRS Appendix A, counting only female helms) from all the Twilight Female Helm races, regardless of which boat she has helmed in each race (i.e. female helms may change boats during the course of the series).

The third Friday of each month may be a Twilight Female Helm race if at least 3 boats with female helms are nominated to the race committee **prior to the start**. Only one female helm may be nominated for each boat in each race.

Race dates are 27/10, 17/11, 15/12, 19/1, 16/2 and 16/3.

Six (6) races are scheduled and two (2) races are required to be completed to constitute a series. One (1) excluded score will apply after every three (3) completed races.
