## PRESIDENT'S REPORT

### What a big year!

Progress has been made and we are nearing the completion to the repairs to our club.

Financially, we have taken a big hit as inquires and bookings for hall hire are well down. This revenue stream is very important and on par with our income from membership fees. It helps us keep our membership fees down and contribute to capital expenses. Please spread the word about what a great location to hold both corporate and private events. You can point everyone to our new site: <http://venuehire.myc.org.au/>.

The relationship with the new Council is progressing well both operationally and strategically.

On the membership side, we have good growth in our juniors and green fleets but we have room for growth in our yacht divisions.

Please make sure all crew are paid up members somewhere (but preferably at MYC) to protect both skippers and crew. Please point friends, relatives or anyone seeking to get onto a boat to our Crew Link facility. The web address is <http://myc.org.au/crewlink.shtml> or call 0400 269 148. Remember this is a great service for both Skippers and potential crew.

Please let us know if you have recently changed address as new membership cards are in production and will be dispatched soon.

A key social event you should have marked in your diaries (more about some of these in this newsletter): The Summer Ball on 24 March. Expect great music, food and of course there will be dancing!

The MYC Board is not scheduled to meet until early February but if there are any major issues, please get in touch. We have a good email network and much work is done between meetings.

Enjoy the holiday season; enjoy your sailing; enjoy your club.

Regards,

Cary Budd - President

*Overheard one Twilight Race... "I wonder how far Maz can see when a club burgee is flown upside down..."*

*"About 5 kilometres" was the reply!*

*So, if you don't want to be shouted at by Maz, fly your burgee sunny side up.*

## DUTY ROSTER CO-ORDINATOR

By the time members read this we will have passed the halfway point in our season for the Club Championship, Summer Series and probably the Twilight races. Thank you to the volunteers who have given us such a successful first half of the season.

For those that have not yet been on a Race Committee there are plenty of opportunities in the second half of the season starting with the twilights in January.

Please check the roster and email [dutyroster@myc.org.au](mailto:dutyroster@myc.org.au) with your preferred events to volunteer. Remember that all yachts competing in any of our competitions are obliged to provide members to serve on race committees.

Looking a little further ahead, Peter Bennell, MYC's Principal Race Officer will again be leading a team of volunteers to help run the Sydney Harbour Regatta on March 4 and 5. Peter is expecting a busy time over the two days and will be looking for the assistance of at least four volunteers to join him on the race management boat, plus a driver and assistant on Robbie R for both days.

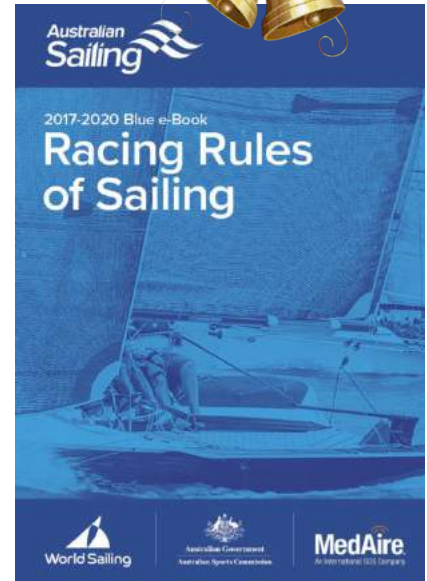

If you would like to be part of running this great event with Peter, please email [dutyroster@myc.org.au](mailto:dutyroster@myc.org.au) to let me know which day(s) you can contribute.

Shane Kelly – MYC Duty Roster Co-ordinator

# HISTORY – IS IT KAREN OR IS IT JULIE?

Images supplied by Peter McDonald

## KAREN

**Karen** first raced at Manly Yacht Club in the 1960s. Her first owner, Dave Tristram, named her after a beautiful young woman he saw emerging from the surf. It turned out she was his daughter but it took his friend Ted Lacey to recognise her.

**Karen**, the yacht, was one of the first of the “Julie Class” and the design was based on one by the well-known Dutch yacht designer Van Der Stadt. Three “Julies” were built by Ian Treharne and Dave Linton at Manly Boatshed (Treharne’s), around 1960. Ian called his yacht *Julie*, after his daughter, which gave rise to the name of the class. One *Julie* was round bilge and the other two were hard chined for plywood construction. Dave Linton, the shipwright, was the same Dave Linton who had built *Eos* with Tom Flower in the mid 50’s.

**Karen** is 21ft long and 6ft wide and she sailed really well.

The Club Newsletter dated September 1969 lists **Karen** as coming first and second in a three-race event with one race being cancelled. The same Newsletter welcomed Ian Treharne with his *Julie* and speculated that with three *Julies* there should be some interesting races.

Gene Scott (MYC’s longest serving President) bought **Karen** from Dave Treharne, in the late 1970s and used her to teach his family to sail. He is very enthusiastic about her sailing ability and suitability as a small family yacht.

Sorry Gene, couldn’t resist ...Ed

He went on to buy an Endeavour 24. Then by 1994 he had a Soling *Felix*, an Olympic class yacht; the 2000 Sydney Olympics were in sight. Finally he bought *Aussie Rules* in 2004, a Cavalier 975, which bore the sail number MYC1.

Peter McDonald, shipwright and long-term club member, bought **Karen** from Gene Scott and after substantial restoration work including a new taller mast and deck, raced her at MYC. His main rival, and the boat to beat, was *Rumours*, a Swanson Dart, with a big rig, which was sailed very efficiently by Bruce and Pam Davis. However Peter never succeeded in beating *Rumours*.

Pete, what can I say? ...Ed

**Karen** is representative of the small yachts that became popular at the club, when the intrepid sailors of the 14ft skiffs decided to sail something with a little bit more comfort and the ability to take the family out for a sail.

**Karen** is still around today. She is moored in Mosman Bay.

Images supplied by Peter McDonald

*(That last line was written on the basis of advice received. In order to check it out I took my kayak and paddled up Mosman Bay. There are about three hard chine yachts in the bay and one of them could be Karen. The name had long since disappeared and she looked like a bit of TLC would be in order. Brian Wilson - Nov 2016)*

## A New Home for Our Trailer.

After many years of storing our boat trailer at Sunnyfields, we were asked to move it to make room for some rebuilding that was taking place on the grounds. It took us a long time, but finally, we were able to find a new home.

Our good friends at Cromer Golf Club, who in the past have bought us a couple of 303's, offered to store the trailer on their grounds. We are so thankful for this, as it means that we are able to continue our program of going to regattas in places other than Manly, creating new interest, and outlets for the participants in Sailability.

To the kind people from Cromer Golf Club – thank you!

## NSW/ACT Laser Association

The NSW/ACT Laser State Championship – 26<sup>th</sup>-27<sup>th</sup> November, was hosted this year by Georges River Sailing Club on Botany Bay.

Manly Yacht Club was represented in all three fleets; a first for the club and hopefully more to come!

Romy Saunders raced in the Laser 4.7 fleet, myself in the Radials, and Ian Saunders and Garth Riley in the Full Rigs.

All three fleets were “super” competitive and packed with talent, including several past world champions and a Rio Olympian. The big fleets (52 in the Radials!) were challenging and great fun.

A tough Saturday, in 25 knots and heavy chop, was followed by a calmer 10-15 on Sunday; which seemed to suit us MYC sailors better. Botany Bay, with its shallow water, is gnarlier and less congenial than sunny Manly as it turns out.

After six races with one drop, the results were as follows: Romy 16<sup>th</sup> (6<sup>th</sup> Female), Marcus 32<sup>nd</sup>, Ian 19<sup>th</sup>, and Garth 24<sup>th</sup>.

Special congratulations to Romy for sailing in her first major regatta!

We're all looking forward to the next regatta, Sail Sydney (15-17<sup>th</sup> December, WSC).

Marcus James - MYC Lasers

# SUMMER SERIES RACE 4

Race Director Janette was on Grandma duty in Townsville where baby Finn Carter Kennedy was born a few days earlier. Many congrats to a very proud Janette & the whole family on this wonderful addition.

Next generation sailor  
Finn Carter Kennedy

In Sydney, what a top sailing day! Clear sunny skies, NE 10-15kts sea breeze and a great course set by the Race Officer, Ian Dennewald around and down the unusually un-crowded harbour. In most cases it was the long last leg before anyone could look to try to catch the earlier starters.

In Division 1 **Etre Jeune** took out the honours powering ahead to finish well in front from **Shear Magic** and **Copernicus**. On the day both **Copernicus** and **Bullet** had a very close elapsed time.

Division 2 had the bigger fleet and **Eos** powered to the front and won by a good margin. Brian had a broad grin as he pointed out that these were ideal conditions for his yacht and everything just worked perfectly. **Esra Tew** sailed really well and came in second, followed by **Czech Mate**. **Melody** had a sleep deprived Jim on board just making it back in time after sailing in the Cabbage Tree Island Race a few hours earlier.

The first piece of silverware for 2016/17 season has been contested and won with the AVOKA/deVita Spring Point Score being awarded to Garth Riley onboard 2Cheeks with Gordon Lacey (Fragile) 2nd and Cameron Wall (SqWall) 3rd. It was a very close finish with 1.2 points separating 1st & 2nd and only .8 of a point separating 3rd & 4th, sorry Geoff. Garth sailed really well and consistency paid off in the end, well done for at least keeping Gordon away from the Cup this time.

On Dec. 3rd the Laser fleet kicked off the first of 4 Micro Regatta's this season (16 heats), which was sailed in great conditions with a 8-12kn Nor Easter. After the first 4 heats Ed Wray (Serenity Now) and Iain Cameron (Seanile), are top of the table with 10 points each followed really closely with defending champion Ian Saunders (Salty Dog) in 3rd.

On Nov. 25-26th the NSW State Laser Championships was held at Georges River SC, and Manly sent 4 boats, which was a great effort. Romy Saunders (Sirjje), sailed really consistently in the 4.7 Fleet and came 16th overall which was a great effort. In the Radial Fleet, Marcus James picked up a 32nd in a tough fleet of over 50 boats. In the Standard Fleet Ian Saunders (Salty Dog) and Garth Riley (2Cheeks) picked up 19th and 24th respectively. Well done, Team Manly.

The Pepper Tree Club Championship for 2016/17 continues to be very competitive for the top 6 boats however Iain Cameron (Seanile), has jumped out in front with some copybook Laser sailing with three 1st's and a 2nd in the last four races. There is talk around the deck that he can't be caught but there is a long way to go yet. Ian Saunders (Salty Dog), in 2nd with Phil Reid (Sin Seal Eile), in 3rd and Marcus James 4th followed by Ed Wray and Garth Riley rounding out the top 6.

Sunday 11th Dec is the last day of sailing for the year for the Laser fleet and will also be the first heats of the Autumn Point Score. There will be some boats not sailing due to other commitments so a good time to get a jump on them. With Garth and myself on Duty and Catering it should be a great afternoon.

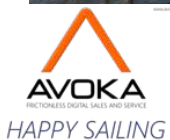

As always thank you to the MYC sailing committee and especially Colin for his help with logistics with the growing fleet.

Merry Christmas & Happy New Year from the Laser Fleet.

# SUMMER SERIES RACE 5

## OUT OF THE POOL

Getting crew can always be tricky. Getting helmswomen to agree on what series to do even trickier...

Jim Nixon came up with a solution. Throw the contenders in a pool and on due dates who comes up and is around gets the gig.

For summer series 5 it seems two regular helms were available. Jim said "you can fight it out to helm".

This is Sorrell and I fighting it out and Jim, the skipper enjoying it.

 Ivana Gattegno (sometimes Melody Helm)

## AN OPEN INVITE TO ALL MANLY YACHT CLUB MEMBERS

At Teusner wines, we've got nothing against cellar doors, but they can be fairly busy and (sometimes) impersonal places. So in the interests of keeping it relaxed and personal, we've said 'no' to opening a cellar door and 'yes' to establishing "THE RIGHTEOUS SOCIETY" where we offer our top Teusner drinkers plenty of exclusive privileges.

### VISITING PRIVILEGES

Make a call ahead of your trip to the Barossa to arrange a private tasting at the winery...a members only privilege!

### SOCIETY CELLAR PRIVILEGES

Each year we'll release older vintage wines from our cellar only for sale to members of the Society

### SHOPPING PRIVILEGES

Receive a 20% discount on all on line and winery purchases and take advantage of free freight anywhere in Australia for purchases over \$250

### DINING PRIVILEGES

Exclusive invites to our annual Society dinners...awesome nights of wine and food and more wine!

### PLAYGROUND PRIVILEGES

Be first in line for our Playground wines...small lots of interesting 'things', available only to members of The Righteous Society

So if you're keen to become a member of **THE RIGHTEOUS SOCIETY**, head to [www.teusner.com.au/the-righteous-society](http://www.teusner.com.au/the-righteous-society) and sign up on line

Phone: 0403 641 109

Experience: I've recently moved to Manly and keen to get involved with sailing. I used to sail on the lake back home as a kid but haven't done a lot other than a few twilight sails since. I completed the introduction to sailing with Chris at Manly Sailing and keen to crew on a twilight or Sunday race if possible.

Name: Louis Evans  
Email: [louisdg.evans@gmail.com](mailto:louisdg.evans@gmail.com)  
Phone: 0405 902 530

Experience: I have recently moved to Sydney to work at Dive Centre Manly. A couple of weeks ago Andy Padgett brought me along to have a look at the yacht club, and I was very impressed. I am keen to crew, but I only have a basic understanding of sailing, and as I work on the weekends I would only be available for the twilight series.
