Without you there wouldn't be any "on-line"

TO OUR TEAM OF AUDITORS AT MANLY YACHT CLUB AND DAVIS MARINA

It was a pretty long day for the auditors. Next time we will need to organise lunch!

THANK YOU Bill Spence, Muir Watson, Mark Bode and Iain Cameron at MYC, and Arthur Crothers, Stephen Teudt and Graeme Gaggin.

Thanks also to Davis Marina for use of their facilities and staff, and Peter McDonald for his assistance in ferrying auditors to boats.

AUDITORS COURSE

The next Australian Sailing scheduled auditors course will be held at **Royal Prince Alfred Yacht Club at Newport on Saturday morning 8th September.**

This is an opportunity to attend a course, which will enable you to contribute something to the Club as well as an opportunity to pick up a few tips about maintenance for your boat or contribute to the one you sail on!

Details about the course and registration can be found at: <https://www.revolutionise.com.au/sailing/events/19718/>

The Club needs more Auditors so please attend the course, which is not at all difficult, and you will be rewarded.

FAREWELL GRAHAM MILLAR THANK YOU FOR YOUR CONTRIBUTION TO MANLY YACHT CLUB

Graham joined Manly Yacht Club in 2005 and has been one of our regular volunteers since then. Graham did not sail and was happy to drive the *Robbie R* on Sundays so that we could get participate in our racing.

In his email to Shane, our duty roster co-ordinator, he says... "*... you do a great job in managing the roster, which is no doubt often a difficult and frustrating task.*

Unfortunately I will not be able to continue to help out with driving Robbie R. I have a problem shoulder and a range of commitments over the coming months.

I have really enjoyed my time with the Club but it seems now I'll have to withdraw my honorary membership.

Good luck with the roster and best wishes to you and all the members of a truly great volunteer yacht club."

SO FOLKS, IF YOU AREN'T DOING ANYTHING ON A SUNDAY AND YOU WANT TO SPEND SOME TIME ON THE WATER, OR YOU HAVE A RELATIVE, OR FRIEND WHO YOU THINK MIGHT BE INTERESTED, CONTACT SHANE AT dutyroster@myc.org.au

For the sailors among us, I direct you to **7.29 DUTY BOAT** of the new handbook and the Race Committee Roster at www.myc.org.au

MEANWHILE, IN THE OFF SEASON...

Apart from the organisational side that comes in the off-season i.e. calendars, handbooks, membership renewal etc, there is also a lot of manual activity. You will be amazed at what Finn has done to the downstairs boat and equipment area... the "proof" is the "final" tip run ...

Barry, how many DID you do?

Oh! And by the way ... that wasn't the "final" tip run... Bruce, Graham and Pam have been sorting out some of the juniors boats, make 2 boats out of 3 in some cases...

... still a work in progress

And Keith was busy keeping the pontoon together – see the shiny new cover plates.

**THANK YOU ONE AND ALL FOR
YOUR DEDICATION TO THE CLUB**

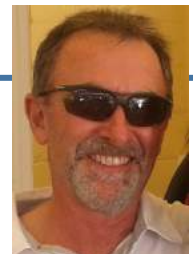

JULY NEWSLETTER ERROR

Apologies Michael Rowe, for leaving you off the list of Board members in the July edition of the newsletter ...

(I'll get a better pic the next time I see you)...

Having spent considerable time ensuring that the boats are sailing ready, it would be a shame that lack of attendance is the cause for not knowing how to rig the club boats.

TRAINING DAY FOR ALL VOLUNTEERS

Saturday, 8th September 9.00am-1.00pm

Our first day back for the new season is Saturday, 8th September.

This will be a training day for all volunteers, whether old or new. We will be running over skills needed on the pontoon, skills needed for rigging, skills needed for putting away. Ways to avoid back injury and the correct handling of heavy equipment.

We will also be looking at our special roles of Sailing Coordinator, Pontoon Manager, Life-Jacket Manager, Time Keeper, Radio Operator, giving information as well as discussions on how to make these work better.

As well as this, we will have an overview of using the Risk Management Tables and our current Operations Manual.

There will be important information for everyone, so please join us for this Training Day.

A Barbecue Lunch will be provided free of charge.

Visit www.manlysailability.com.au if you are interested in volunteering. Click on [Training Tutorials](#) to check out what we do.

<https://www.invictusgames2018.org>

You will notice that we will
NOT be sailing at Manly on 20th October

This is because all of our 303's will be in use at the **Invictus Games** at Farm Cove, between Botanical Gardens and the Harbour Bridge.

The boats will be travelling over to Rushcutters Bay after having new sails fitted with special **Invictus Games** Insignia, and having the hulls cleaned.

They will be sailed by sailors from Estonia, USA, Australia, UK and France.

Volunteers from Manly will be busy at Rushcutters Bay helping with rigging and maintaining boats.

Congratulations

**VOLUNTEER
OF THE YEAR
2018**

On Friday, 24th August, our very own **Warwick McKenzie** was asked to attend a meeting of **Volunteering NSW** at Dee Why RSL.

He was presented with an award for being nominated for Volunteer of the Year for 2018.

Congratulations, Warwick, we are very proud of you, and thankful that you are our incoming President.

A MESSAGE FROM

*"RMS are working with organisers on a major aquatic event planned for the **weekend of 15th and 16th February** in the waters between Sow and Pigs reef and Garden Island which has the potential to disrupt sailing and other regular harbour activities.*

***Exclusion zone buoy laying** is likely to commence from approximately 1 or 2pm with the event planned for 4-6pm.*

More location details and other information will be made available once the event has been officially launched in early October."

Your club activities or racing maybe affected so if it does, then it is best to plan accordingly and make the necessary adjustments to your program.

NOTE: This is **unlikely** to affect Marathon Race 3, scheduled for 17th February, as Australian Sailing has indicated that the event will only take place Friday and Saturday, however members should be aware of the activity when enjoying the harbour on this weekend.

START OF SEASON REMINDERS

ANCHORS AWAY!

Here is a timely reminder for the start of the sailing season, to **stow those anchors while racing**.

It will be the perfect tack or the exceptional spinnaker drop that will win you the race, **NOT** that extra 20 or 30cm protruding from your bow.

For reasons of safety, and because it's in your sailing instructions, please make sure you comply.

Otherwise, you may not like the consequences!

A letter from a concerned skipper to his crew...

Dear Crew,

I am doing the rounds of friends who will crew with me from time to time and reminding them that they must be a paid up member of a club affiliated with Australian Sailing.

This is principally for insurance purposes although we'd love to have you as a member of Manly Yacht Club and enjoy the club facilities too!

Please confirm you are now a paid up member of a club.

If you are not, why not join MYC now.

*Thank you
Your Skipper*

WINTER SERIES WRAPUP

Another great winter season with a record number of competitors battling it out on beautiful Sydney Harbour. As is usual, the winter winds were a little less regular, but we did have a good variety of light and fresh wind conditions that challenged the MYC skippers and crew to get the best performance from their boats.

Lisa Callaghan the skipper of *Twocan*, once again managed to defend her podium supremacy as winner of the division one series this year being two points ahead of *Tensixty* and *Bullet*. So, congratulations to Lisa, and crew of *Twocan*.

It was *Peach Teats Velocity* skippered by Meredith Jones in second division that stayed comfortably ahead of *Czech Mate* with a two-point advantage in the final count. Congratulations to Meredith and the crew of *Peach Teats Velocity*. And finally, the grand prize, 2 nights at Altitude The Lodge Smiggins was won by Ian Dennewald of *Ratty Toey*, well done Ian.

A special thanks to all the volunteers, race officers and assistants who turned up on deck, always on time at the club for each of the six races. A particular thanks to Shane Kelly, Duty Roster Co-ordinator, for making sure we had race organisers for each race and a particular thanks to Peter Bennell who volunteered for race officer for the first three races. Finally, a huge thanks to our sponsors, the premium SA winemaker Teusner and the Smiggins skiing host Altitude The Lodge.

Can Lisa win Div 1 three years in a row? Not if the handicapper is paying attention! Congratulations to all competitors, I hope you enjoyed this seasons winter sailing and look forward to seeing you next year.
