

**REGRET TO ANNOUNCE  
THAT DUE TO RECENT LAW CHANGES  
FROM WATERWAYS,  
THE CABARITA D'ALABORA MARINA  
IS NOT ALLOWED TO TAKE CASUAL BERTHS**

The Cabarita Cup was designed to allow members of the Club to do an extended cruise on flat water (good for those with kids and/or those who do not want to weather the offshore conditions of a Pittwater, Newcastle and Port Stephens cruise), followed by a tie up at a marina, prizes for a rally, followed by BBQ and drinks. Last years Cabarita Cup was a great success with everyone attending having a great time.

Without the ability to tie up to a Marina, the alternative would be to drop anchor in some bay. However, this may cause difficulties if the weather turns inclement and/or anchor chains get twisted and fouled. I would not be comfortable organising a raftup for 10+ yachts and also feel this could expose the club to possible litigation due to it being a Club organised event.

Given this late change by Waterways I feel we have no alternative but to cancel this years Cabarita Cup. **Greg Middleton** ▶

**ROOF RENEWAL  
ON THE MAIN DECK**

As announced last month the opaque corrugated roofing above the Club's main deck needs replacing. The Club needs volunteers for 2 working bees- one to repair some timber roof structure prior to, and the other to do the re-roofing.

The timber repair day is scheduled for Saturday May 28 (the main hall is not booked on that day). Members who have timber-working skills are urged to assist. Some have already said they would like to help; a confirmatory phone call would assist.

The re-roofing is set for the long weekend in June (11th, 12th, and 13). This is not the most ideal weekend but hall bookings offer limited scope. It is hoped that the job will take one full day plus perhaps a few hours on Sunday if a problem surfaces.

Please let Chris Shead (home 9371-2975) or Keith Woodward (home 9977 5710) know if you can help.

The more the better, as there are multiple repair areas and small teams can do the work quicker.

Many thanks! **Chris Shead**

**MANLY to PITTWATER  
Mutiny on The EOS**

After a wild ride to Barrenjoey with EOS rolling in a deep groove and trailing her

boom in the water the foredeck crew regrouped as we lay becalmed in the lee of the headland.

Tacking her way up Pittwater with two reefs in the main and the lee rail continuously under water the foredeck crew experienced

more discomfort. Drenched by spray and chilled by the wind they wanted out!

**"How many more tacks?"** came the cry **"FIVE"**

## CRISTAL DARQUES SUPPORTING WOMAN IN SAILING AT MYC FOR TEN YEARS.

THE 2005 tenth anniversary Cristal Darques Women's Challenge was a huge Success.

We had 46 boats entered including the centreboards and Access dinghies.

Many thanks to the Women's Challenge ACTION TEAM. Maz Theaker, Jules Lawson, Deanna Smythe and Simone Grout (middle harbour)

The whole club pulled together to make the day an event all other Clubs are talking about. Thanks to the starters, Steve Teudt, Peter Mac and Tanis, Race officer Andy Cooper and Manny on the Support boat, Cristabel, Margaret, Chris, Dee and their helpers behind the bar and kitchen, Graham Radford who had to deal with complex handicapping issues (some yachts entering the night before)

The All girl yachts are growing in numbers, this year counted eleven yachts divided into two divisions. Racing was extremely competitive, as the teams had been training for the last month.

We also introduced access dinghies for the first time and we look forward to a growing fleet in 2006.

Nigel Holman once again (every year for ten years) lent his boat to the girls and CUCKOOS NEST won with Jenny Danks on the helm.

We were also able to award a one design Trophy this year. The 5.5 fresh from the recent Worlds entered five in Div 2. Winner was Pam our own home grown Star. Alex Murray from RPA was guest helm

Rumour has it the Sydney 38 are aiming for the one design trophy next year.

I organised the weather well and the north easterly gave us some stiff 15-18 knots and the sky was blue so blue. Life is good.

Back at the Club was nearly a riot as the fabulous prizes were awarded to the winners.

Manly Yacht Club has never seen the Deck and inside so packed. John Sturrocks from Sturrocks Boatique kindly handed out the prizes and many very elegant ladies dressed up for the presentation.

Our Sponsors this year were hugely generous. WE welcome Sturrocks boatique, Diva fashion accessories, Manly Pier restaurant and Zumbo.

All new supporting sponsors.

Nautica have been a fantastic supporting sponsor for about 5 years and of course Cristal D' Arques for 10 Years our major Sponsor. Thank you Sponsors and thank you all competitors. **Ivana McAlpine Race Director**

Declan Lee

**D**eclan Lee was the proud recipient of the Medal for the Australia Day Regatta in the Access Dinghy Class. This medal was presented to Declan at a special ceremony held in March at Sydney Town Hall. It was handed to Declan by Sir James Hardy, who is the patron of the Australia Day Regatta. Good on you, Declan, and his crew Greg.

**On Sunday, March 13th, 2005**, we had two boats in the Crystal D'Arques Regatta. Elizabeth and Elana sailed in Woody, and won, and Judith very proudly crossed the finish line after completing the course twice, a wonderful achievement for a Servo Access Dinghy. Thanks very much to Crystal D'Arques for their sponsorship, and Manly Yacht Club for the invitation to participate.

**Congratulations to Steven Davis** who sailed solo for the first time on Saturday, April 2nd. Steven we are very proud of you, and the glow on your face when you returned to the pontoon made the whole operation worth while. Thanks go to Jill Madden, who coached him just a little bit from the safety boat, not that he needed any coaching.

**We are extremely saddened by the loss of all of Dobroyd Branch's equipment in a fire allegedly started by vandals at Rodd Point last Saturday evening.** At the moment, they are in shock that such a huge loss could happen, and will not be sailing this week. We have offered the group the use of our equipment at Manly. Hopefully, before the end of the season, we will see the group take advantage of our offer.

Along with Sailability MYC is alarmed by the fire allegedly started by vandals at Rodd Point Sailing Club last Saturday evening.

### wake up call!

Recently MYC lost a Sailability dinghy. Vandals broke the windows to the boat storage area (thanks again to Colin Cameron for the repairs). ...and still once again we find this week the two doors leading to the jetty wedged open, the roller door on the deck wide open and **NO MEMBERS INSIGHT!**

WHITWORTH'S SUMMER TROPHY  
DIVISION 2 WST4

### By and Large

the start on Eos was a case of hang twenty!! after a call from the skipper "tacking!" ...EOS was caught between the Manly Ferry and other Div 2 boats, two lasses on the foredeck were standing on the lee rail, the boom trailing in the water - again! The wee lasses experienced a most unusual start to the Div 2 race... knee deep in water!!! What a fun day sailing on beautiful EOS!

Thanks Skipper
