President's Report

Well, Manly Yacht Club Members, I hope you all had a most enjoyable Christmas and New Year and that you are looking forward to the second half of the sailing season. The Club was open on New Years Eve and I hear that Club Members and the Diggers spent an enjoyable evening watching the fireworks. I spent the holiday period in Tasmania where the nearest thing to sailing was paddling my Kayak with grandchildren sitting in the fore and aft hatches.

Since my last report Sailability has been proceeding with the accessible toilet. The walls are finished, the tiling is almost complete and some of the fittings have been installed. Sailability is planning a grand opening with the Master Builders present. The standard of workmanship and the quality of the finishes are very high. This toilet will become the benchmark against which other accessible toilets will be judged.

I had hoped to report positive progress on the rigging deck but it is still travelling slowly. The Dept. of Fisheries has now become part of the Dept. of Primary Industries. In response to my last letter, an onerous condition requiring photographic monitoring of sea grass for a period of three years has been revoked, but another condition requiring a permit to affect marine vegetation still stands. I have been advised that it is in the best interests of the club to have this permit because then there will be no comebacks. So twelve pages of forms have been filled in and sent off with cheques to the value of \$310. Once we get the permit we go to visit Council.

'Reality' has been replaced. Keith Woodward has upgraded to a 40 footer called 'Aquarius'. I am looking forward to seeing this new addition to the Club fleet. No doubt she will feature in the offshore races as well as the usual club events.

On Friday, 2nd February, our enthusiastic local member David Barr and his daughter Annalisa joined the Twilights on board Pensive where, he explained later, he had to WORK. (Bruce likes to get his moneys worth out of politicians.) But nevertheless he had a good time and joined us at the Club afterwards.

Brian Wilson - President

CRISTAL D'ARQUE have kindly sponsored the women's Challenge for the past 12 years.

MIKASA is now taking the helm for the next decade.

Both brands are managed by Arc International now based in Melbourne.

Arc has been a great supporter of Manly Yacht Club.

MIKASA is proud to have long been recognised as the leader in tabletop fashion in dinnerware crystal stemware, barware, flatware, and decorative accessories.

Quality and great design are synonymous with the Mikasa brand. The worlds finest tabletop designers, working with the best factories, and using the most advanced technology in the industry, create products that are not only beautiful and well made, but suitably priced for everyone's lifestyle.

We look forward to the exciting race this year and welcome Mikasa and two new supporting sponsors Think Design and Jendi Fashion Accessories.

Check MYC website for all entry forms and sailing instructions.

Thank you to all our past sponsors who are supporting this great event again. SPONSORS for 2007:

COMMODORE'S REPORT

Welcome to the New Year and the second half of the sailing season which promises to be pretty exciting and very busy with regattas all over the harbour. Just a few weeks ago Vaucluse Yacht Club held their 75th Anniversary Regatta which was attended by some of our yachts and centreboards. By all accounts it was a well run event and everyone had a great time. This weekend sees our second Mini Regatta and I'm sure all those who haven't entered have received a white feather from Peter Mac. This regatta will test out your crew, your yacht and yourself - great fun and I'm assured there will be four races! Some of those Vaucluse boats will be gunning for us!

The beginning of March brings with it the Audi Sydney Harbour Regatta as part of Sydney Harbour Week. The organising authority for this regatta is MHYC but all the clubs on the harbour, including Manly, are assisting with the race management of this event. Two days of racing; free entry for those entered in club point score series; great beach parties afterwards. Anyone not racing but wanting to participate as a penciller or mark layer or flag raiser (if you've done the race officers course you'll know what that means), here's your chance to get up close and personal to the big IRC racers; the Sydney 32, Sydney 38, Farr 40, the gaggle of Etchells one design fleets and the PHS fleets out there - over 230 boats in one spot at one time!

Just a weekend to recover and our major event is on. You've got it...the Mikasa Women's Challenge. One of Manly Yacht Club's favourite events entertains 7 divisions which include spinnaker and non spinnaker, all female and mixed crews. This event attracts yachts from most of the clubs in Sydney Harbour and has been held continuously for 12 years with the same sponsor - both the Mikasa and Cristal D'Arques brands come from Arc International. We thank them for their ongoing commitment. The Mikasa Women's Challenge...a challenge, not only for the women but for the men who step off the boats to leave the all female crews "to it"!

Speaking of Race Officers Courses...I would encourage each skipper and at least one crew member of each boat that races with Manly Yacht Club to undertake to participate in the additional course Peter Wilkins has kindly offered to present. Given Peter's current health situation, I am grateful that he has generously donated his time; especially as he has now moved to Grey's Point so that his GP daughter keep an eye on him.

Finally, I would like to extend my appreciation to Ann Webber for her thankless task of trying to put rosters together so that the rest of us can go sailing. My thanks go to the race committees Ann has gathered together so far and those she is struggling to fill. The sailing committee will endeavour to make life a little easier for the race committees with better procedures where possible and is in the process of trying to find a replacement for our much missed Peter. If you have a brother, father; uncle, sister, mother, aunt who would like to "mess about in boats" on a Sunday please put them in touch with the club.

Maz - Commodore 

The third race in the offshore race saw the fleet sail in the other extreme of the wind range compared to the first two races. It was champagne sailing all the way to Botany Bay and back with a light S/SE wind to start with, backing E and then E/NE towards the late afternoon. The fleet of 6 yachts went mostly out to sea chasing the current and stronger wind with Morna joined south of Bondi by TwoCan trying their luck close to the rocks and the beaches looking sailing the occasional lifts. Dances with Waves and Pensive decided at some point to check the other side of the course and quickly returned out to sea. The slower yachts did not time the wind shift all that well:-being able to put up the kite going into Botany Bay, however, having to beat to windward on the way back out- the yachts at the front of the fleet were able to two sail reach all the way out of the Bay.

All in all, a very pleasant, although at times a little frustrating, afternoon was enjoyed by everyone. On corrected time Pacific Breeze was able to squeeze in by Dances with Waves by 74sec and take first place.

AUSTRALIA DAY RACE TO PITTWATER

Another superb day of racing for the offshore fleet. It was great to see a fleet of 8 yachts for this race; the 6 from race 3 being joined by Ratty and Crow Bar. The start was rather slow with only about 7-8knots from the NE. Everyone, except for Morna, put up their kites right away with Out There having a great run towards the Junction Bell.

Outside the heads, Dances with Waves and Pensive pulled away quickly with the rest of the fleet staying in touch for most of the race. Crow Bar decided early to stay out and they were rewarded by stronger and more consistent breeze. Abeam of Whale Beach Pacific Breeze, Crow Bar, Out There, Morna and TwoCan were still quite close together after three hours of sailing. The broad reach/run inside Pittwater provided most of the excitement for the fleet. Those who put up their kites after rounding Barrenjoey were met by a few bullets up to 25knots coming over Palm Beach. Further south the gusts moderated a little but the lack of concentration from a number of crews led to multiple round-ups along the way. Dances with Waves took line and handicap honours with Crow Bar coming second and Ratty, on their first offshore race, coming third on corrected time. The navigator's prize was collected by Bruce Hitchman by estimating his finishing time to within 20seconds. Congratulations to everyone for a terrific competition and to our handicapper who managed to limit the corrected time spread between the first and last yacht to 12minutes!!

The next and final race of the offshore series will be on Good Friday April 6th.

Race Management Course Tuesday Evening 13th March 07

The course has been shortened and modified to be applicable as much to racing sailors as to race officials, so hopefully we can get a greater participation than for previous courses. We would like to see one crew member or skipper from each boat attending, but a practical limit would be 15-20.

The course is being held at MYC on Tuesday Evening 13th March from 7-10 pm, and will be completed in the one evening, rather than over two nights as previously. The date was selected so that Womens Challenge participants would have the opportunity to attend.

Nominations to Peter Wilkins:

email: wilkinsp@ozemail.com.au
or phone at 0400 525 273.

Thanks and regards Peter

Dee, Jim and daughter Ella on MYC club boat Melody sailing off the mooring and on a mission taking 1st prize, and the Whitworth's gift voucher

ATTENTION: BOATS OWNERS, that docking at the pontoon is not permitted. Crew must be picked up and dropped off at the end of the jetty only.

NEWS ITEM, we have another **Tasar** in the MYC fleet. It's name is **SHACKELTON** and was donated by my daughter and her partner. It is in good shape and all we need now are MYC members to sail/race it. It is a 2 person skiff and ideal for husband and wife, father/mother and son/daughter or 2 sailing buddies!
Club Captain: Robert Steffens

On 22nd April 2007, Manly Council are creating an educational display and giving marine related materials to people during the annual Commodore's Picnic, hosted by Manly Yacht Club and Davis Marina. The initiative is delivered through the Starboard Right and Green marine education program which aims to create awareness about marine sensitivities with recreational boat users for a sustainable environment.

A warm welcome to our new members

Sailability has been very busy over the Christmas/New Year break. We sailed on 16th December, then helped Rushcutters Bay Sailability take out 25 Canteen Kids on 21st December. We were forced to cancel two sailing days in January because of bad weather, but still managed 3 sailing days including the Australia Day Regatta on 26th January. We want to thank Manly Yacht Club for including us in this well organised race, and were very happy to have a new crop of competitors and winners.

1. Deirdre and Peter in Woody
2. Roger and Helen in Lionheart
3. Wayne and Ivan in Sunrise
4. Steve and Peter S in Jack Harkness
5. Jessika and Paula in Dolly Wallis
6. Denis and Jan in Greg Mott

The results are announced

The winners, Deirdre Ronai and Peter Hamilton

3.2.07 February already? Perfect weather for sailing again today, and we were inundated by helpers and sailors with a disability. I will not write the names of everyone who arrived, but there were 46 people on the two registers, and everyone who came down today had a sail. Our new people today were from Pioneer Clubhouse, and what a bonus they turned out to be. They even had a solo sailor among them, and it was lovely to see Rav taking out Clea on his own. We have a huge thank you to Baker's Delight, Manly, who are going to sponsor us for whatever our needs are in bread whenever we sail.

Peter took some beautiful photos of both sailing and land-activities, so please look for these on the web-site.

The accessible toilet will be ready for use at the end of February. To celebrate this, we will be holding a Flushed with Success Ceremony on **Saturday, 24th February**. All members of Manly Yacht Club are invited to attend this ceremony and our **10th Anniversary Dinner on 10 March** celebration, at just \$45 per person.

Contact Elli for more information or the above web site. **Eli Demeny - 99762747**

This series was concluded with race 5 on 17th December with the 1st 2nd and 3rd place getters being Cheap thrills, Blue-e and Ratty respectively.

Race 4 on 3rd December was sailed on Ocean Care Day and MYC worked with the Manly Environment Centre to promote 'looking after our playground'. Prizes for the day went to Bokarra (1st) Aussie Rules (2nd) and Morna (3rd) and were presented by our local State Member and MYC supporter David Barr.

The winner of the Cumberland Yacht Charter's prize (\$2,000 towards a yacht charter in the Whitsundays) was Big Blue Sailing 01 and this was accepted by Chris Stockdale immediately after the draw.

Chris plans to use the Charter to the benefit of the sailing school staff and students and hopes to establish a close relationship between CCY and the sailing school. This should be of benefit to MYC and hopefully will assist with keeping their sponsorship of the series next year.

Australia Day Regatta 2006/07

What an absolutely perfect way to start the Oz Day Long Weekend!

At 8.00am the breeze on the end of MYC wharf was almost non-existent however by the start of the Division 1 race to Pittwater at 10.30am it had built up to a nice steady 10 - 12 knots from the N/NE. This provided a picture perfect start with most yachts flying a spinnaker as they crossed the line, or shortly thereafter.

"Dances with Waves" got off to a great start but a glitch with the spinnaker (wine glass) saw the rest of the fleet catch up. The fleet was somewhat smaller this year (7 yachts) probably being due to it being the start of a long weekend, and was last seen under full spinnaker heading for the heads, before turning left and bashing into the nor' easter all the way to Pittwater. Congratulations to Jim Thomas and his crew on "Dances with Waves", who won the race. Runners up were "Crow Bar" (Bruce Thomas and crew) in second and "Ratty" (Ian Dennewald / Dee Smyth and crew) taking out third place. Well done!

The next event was the Centre Board and Sailability regatta which was started together. The Centre Board fleet decided the course was too short given the ideal wind conditions and incorporated the Manly East YA buoy into the race as the top mark. Sailability stuck to the original course and we were rewarded with a very competitive finish line with both fleets vying for line honours.

"Woody" skippered by Deidre Ronai took out first place in the sailability Regatta, closely followed by Roger Blake in "Lionheart" and Wayne Black in "Sunrise".

Following a second heat in the Centreboard Division the overall winner was Peta Smith in "Rampage" with "Kartoffelpuffer" skippered by Max Pleger finishing second and Angus Clarke in "4.7" in third place.

With a combined fleet of 14 yachts the inshore Australia Day Regatta was a colourful and competitive event. Reflecting the great conditions, yachts from both fleets were keen for additional races but had to content themselves with additional time on the water, just cruising around.

The Division 2 Regatta was abounded this year with only 2 yachts registering. They certainly missed a great day on the water and we hope to see them back in force next year.

A big thank you to Ted and Graham on "Robbie R" for setting the course and backup safety boat, and also to David Parle on "Carlyle" and Leanne who finished the Division 1 fleet in Pittwater.

Winners can look forward to receiving their medals on Wednesday, 7 March, at the Sydney Town Hall.

Congratulations to all participants. Steve Garmston 

Australia Day Regatta - 5.5 Metre Class

Vaucluse Yacht Club 75th Anniversary Regatta

Peter McDonald on the mighty 'PAM', did Manly Yacht Club proud during the Australia Day Regatta. The 5.5's had enough boats entered for a class, which always makes for more heated competition.

The handicapper did a fantastic job, as the top 4 boats came in within 32 seconds of each other. PAM can in first over the line and on handicap, followed by the strong 5.5 Vaucluse Yacht Club contingent.

Speaking of Vaucluse, congratulations to the organizers of their 75th Anniversary Regatta. If you were out on the Harbour on Saturday 3rd of February, you'd know from all of the traffic what a successful event it was!

'PAM' worked hard and came third on handicap and was presented with a framed watercolour marking their anniversary. Thank you to all of the other MYC boats that competed. It's great to see some interclub competition between the two clubs!

MANY THANKS

Manly Yacht Club wishes to thank everyone who has been generous enough to support our Friday night meat raffles. There is still some races to go, until March 23rd, and we would be most grateful for your continued support in purchasing as many tickets as possible in the remaining raffles.

This is the BBQ season with a nice glass of Zilzie!

The money raised from this venture will be going towards the purchase and installation of a PA system to help increase the attraction for hall lettings as well as improve the announcing of results for your yacht racing successes at the Club after a race on Fridays and Sundays.

The meat trays for these raffles comes from **Fairlight Gourmet Meats at 154 Sydney Road, Fairlight, Tel. 9949 2460.**

As previous raffle winners will tell you the quality of the prize is excellent so, even if you haven't won the prize yet why not go and meet the boys there and make a purchase. They also carry curries, pastas and other tasty goodies besides great quality meats. Let them know that you belong to the MYC.

See you next Friday - Bill and The Raffle girl Melissa

CLOSE SHAVES ON THE WATER .

Who has right of way?

We all have Racing Rules of Sailing ("the Blue Book") and International Regulations for Preventing Collisions at Sea (fondly known as "Col Regs") on board as part of our Cat 7 (and above) Equipment Compliance and we need to know and understand these rules.

When competing against boats on the race course, the Racing Rules of Sailing apply. When we meet any other vessel on the harbour then the Col Regs and Maritime Authority requirements apply. A call of "racing" is meaningless and futile when the other vessel is right of way vessel!

A vessel includes every description of watercraft used or capable of being used as a means of transportation on water.

So keep a good lookout for all other vessels, especially the hire kayaks in Manly Cove / North Harbour area.

THE NEW YEAR AND THE NEW SAILING SEASON

Welcome back to MYC sailing.

The new year will bring new challenges to most of us and not the least of which will be the Friday Twilight, Saturday, Wednesday and Sunday races. So, with the resolution you made to do better this year, come join the group of hard working MYC volunteers and make this a great Happy New Sailing Year at the MYC.

Volunteering their time

Many thanks to the MYC Board of Directors and the Sailing Committee who coordinate the huge MYC sailing events, administration, club maintenance and MYC Shop. Check your Hand Book and don't hesitate to contact any one of them to give the MYC some of your time. **HELP REQUIRED NOW. TWO BIG EVENTS** coming up, they are looking for extra volunteers to help out on the Women's Challenge 18th March, contact the Sailing Committee and the Twilight Ball 30th March, contact Gabrielle Howard Jones 9949 7032 or the Sailing Committee.

2007 More members, More administration,

More care and upkeep, and a few more house keeping points

Kitchen Duty and the deck

Please follow procedure for re stocking the fridges, locking up the kitchen after an event and clean the BBQ. **All Members** please clear the tables and return them to the function room after each sailing event, plastic chairs stay on the deck.

We ask all members NOT to stack the blue function chairs.

Showers and Toilets

Please wash sand off before entering the club and leave the washrooms in a clean condition.

Broken glass! accidents do happen, please wrap in paper (hand towels) before putting in the bins.

Smokers please don't use the timber railing on the deck to stub out your cigarettes and dispose of the butts properly.

Recycle Bins on the deck and down stairs,

Do the right thing...
