

## PRESIDENT'S REPORT

Winter is upon us!

Nothing says 'hello winter' as either gusty 20+knot southerlies or no wind Sundays! I am pleased to see such a large fleet of 25 yachts competing in this year's Winter Series. Division 1 series results are looking pretty close. And it is great to see new yacht *Ludicrous Mode* take the win last Sunday. Deanna on *Flakey Mojo*, is proving to be a pro at light wind sailing, leading the series in Division 2. Thank you to Greg Wilkins for taking up the role of Winter Series Race Director.

### AGM / Comedy for a Cause – Junior's Racing Program

This month I am super excited that we are putting on our first social event in over 2 years and combining this with raising funds for the purchase of nine Open Skiffs which we are currently leasing. And just before the laughs start, we will hold our AGM.

### AGM of Manly Yacht Club & Election of Office Bearers for 2021-2022

All positions on the Board of Directors are open for nominations. The Club is required to have a Board consisting of the office bearers and up to eight (8) other directors. The office bearers comprise the President, Vice President, Commodore, Vice Commodore, Rear Commodore, Club Captain and Treasurer. The Commodore, Vice Commodore, Rear Commodore and at least five other Board Members must be boat owners.

Voting at the Annual General Meeting is open to all adult members. All members and their guests are invited to attend the meeting.

**DATE : SATURDAY 3<sup>RD</sup> JULY 2021**

#### SCHEDULE

Doors open 7pm

**AGM** start 7:10pm

1. Welcome and notice convening the meeting
2. Apologies
3. Confirmation of the minutes of the last AGM held 29<sup>th</sup> June 2020
4. Receive and consider the Annual Report
5. Hold elections and announce Board of Directors for 2021-2022
6. Appoint Auditors
7. Other business

**AGM** concludes 7:25pm

Drinks and nibbles for ticket holders on the balcony.

**SHOWTIME** 8pm

**SHOW** ends 10:15pm (approx.)

If you wish to attend the **AGM** but not the Comedy Night, please let me know and I will add your name at the door.

Tickets must be purchased before the event, so invite your friends and get ready for a belly full of laughs!

### FROM THE EDITOR'S DESK

It has been a fun and rewarding time gathering news items and images; interacting with members and their stories.

But it's about time I handed in my typewriter and let some other creative type take over the reins.

The newsletter is both a record of history and a communications tool between the Board, the Sailing Committee and members.

The brief:

- 11 Newsletters per annum (or less if you run out of time)
- Can be produced using any editing tool you are most comfortable with (I use "good old" Word) with the final product being a PDF.
- 10-20 hours per month depending on how efficient you are, or how proficient you are, with your chosen editing tool.
- I'm happy to mentor you through the first few editions.

Why not ease into it while there is not a lot going on.

Please email [newsletter@myc.org.au](mailto:newsletter@myc.org.au) if you feel you can help me out.

# WOMEN IN SAILING

Seems there's a lot going on - here are some highlights

## Bullet takes aim at Australian Women's Keelboat Regatta

While *Bullet* is no longer an MYC boat it is great to see she has found a good home with an enthusiastic skipper, Robyn Ragauskas at the helm.

After a successful campaign in the Port Phillip Women's Championship Series (PPWCS) hosted by Australian Sailing, *Bullet* from SYC skippered by Robyn Ragauskas is preparing for the Australian Women's Keelboat Regatta (AWKR) to be held at Royal Melbourne Yacht Squadron over the Queen's Birthday long weekend 11th to 14th June 2021.

For the upcoming AWKR the core crew of Robyn Ragauskas (skipper) Ella Ragauskas, Meg Ragauskas, Lily Ragauskas, Tara Bickham and Chris O'Keefe will be joined by seasoned SYC sailor Karen Neville who will bring valuable experience to the team.

See the full article [here](#).

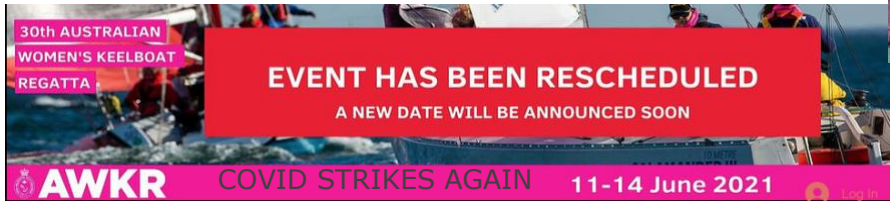

(Unfortunately, due to COVID this event will be rescheduled for a later date ... Ed).

Michael and the BULlet crew on Sydney Harbour

Looks like a great bunch of women on board! Good Luck *Bullet* in this and other regattas - we're disappointed for you about the cancelled long weekend.

## Global women's sailing festival Steering the Course launched for 2021

Supported by the IOC Development Fund, Steering the Course aims to introduce women and girls across the globe to the sport of sailing, as well as encourage alternative pathways for those already within the sport, such as coaching or officiating.

Held over a 10-day period across two separate events - one in the Northern and the other in the Southern Hemisphere - the festival will bring together sailing communities from all backgrounds, with events taking place in multiple countries at the same time.

## Steering the Course National Leadership Conference

6pm (AEDT) Wednesday 6<sup>TH</sup> OCTOBER

The SheSails National Leadership Conference event set for 6pm (AEDT) Wednesday 6th October is designed to champion female

involvement in sailing and empower them to reach their full potential. This special event will feature guest speakers that will provide insights and explore the topic of Leadership.

One of the keynote speakers for the event will be SheSails Ambassador, sailor and pioneer Jessica Watson OAM.

Australia has a proud history of females who have contributed so much to the promotion and advancement of sailing, and Jessica will be joining the event to discuss her experiences; how she had a dream, worked hard at it and proved that anything really is possible.

# MYC SROS Juniors Development Program

What is a SROS?  
Short Rig Open Skiff

In 2019 a small group of members formed a consortium to help our Junior Program grow by purchasing 9 Small Rig Open Skiffs (SROS) - formerly known as BICs - which they loaned to the club.

These SROS have been an integral part of our junior program giving hundreds of kids each year the ability to improve their sailing ability and have been critical to solving the gap between our beginner Optis and the Full Rig Open Skiff.

The total project cost for the new **SROS** boats was **\$26,500**.

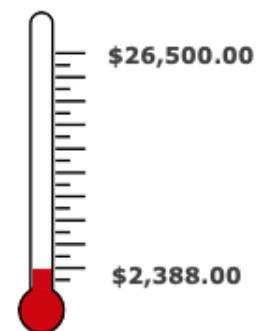

Our plan was to apply for grants to be able to purchase these boats from the consortium to give our next generation of sailors the opportunity to participate in a fun outdoors family orientated sport in the beautiful sailing waters surrounding Manly.

But in the last two years we have been unsuccessful. So, we have set up a fundraising campaign via the Australian Sports Foundation so that all donations are tax deductible.

Please give generously when making your donations to this worthy project directed at developing our future generation of sailors.

Please

**P.S** The nine top donations will be given the opportunity to name one of the boats. Imagine your name on one of the sails below.

RESULTS: <https://app.sailsys.com.au/club/23/results/series/1095/races>

Welcome new boat to the club "Manly Sailing Solace". Hope you are enjoying your new boat Xav!

Winter Race 1 - what a strange day ... threatening clouds, blue skies, forecast of little wind, which was correct for some of the race but sufficient for other parts.

And back at the club ... "jackpot heaven". Two boats retired having read the wrong course, and winners not coming back to the club to claim their prizes meant that 4th, 5th & 6th places pickup up the prize - thank you

*Bokarra heading to the finish*

Race 2 - Course 7 (the shortest course), out to Cannae Pt for both divisions (some boats haven't learnt to use the new courses yet!), then onto Nielsen Park for the Division 1 fleet while Division 2 had the shorter course around the Sow and Pigs mark and then back to Grotto for both divisions before heading home.

The forecast was accurate... dying winds all day, but as is most often the case once *San Toy* decides to pull out, a great little breeze developed, helping boats behind, happily finish.

Thanks, Peter Bennell, RO for both race 1 and 2 with support from *Corum* and *Misky* crews. Congratulations to winners and those who completed the race, commiserations to those that just ran out of puff! At least it was a lovely day on the water.

## ROAMIN' IN THE GLOAMIN'

After the first Winter Series race, while sitting down to relax, with a beer in the Rowing and Sailing lounge, Bruna, my crew spotted a great photo opportunity.

The large picture window was framing an almost surreal vista in the gloaming of afternoon light. Quickly setting up her phone on time lapse we were snapped and frozen in time, against the magical backdrop of Manly Cove.

It isn't always about winning the race, or going the fastest, but rather the special moments shared with friends.

# SAILABILITY MANLY 25<sup>TH</sup> ANNIVERSARY CELEBRATION

**WEDNESDAY 5<sup>TH</sup> MAY** was the date chosen for the celebration of 25 years of Sailability in Manly Yacht Club.

63 very excited people turned up to help us celebrate this, just managing to fit into the hall in a fairly squashed seating arrangement that made it all the more fun.

Included in this group were some members of Manly Yacht Club Board, who joined in to help us celebrate, Maz and Graham, Lisa, Keith. Also present were some of our past members, Jill, Verity, Evelyn, John, Lesley to add some wisdom to the mix.

Mayor Michael Regan (Patron of Sailability Manly) with President Warwick Mckenzie, Eli Demeny and MP for Warringah, Zali Steggall

Everything worked like clockwork, due to the hard work our Volunteer Recognition Evening Committee had carried out earlier: Jackie was the Manager, and the MC for the evening; Ragnhild organised our caterer - the dinner was delicious, and well planned. She also organised the set up and decorations. Caroline was the photographer.

Jackie

Ragnhild

Caroline

David W, still in his hop-along mode, helped with the table set up, clearing up, and gave a stupendous speech

outlining the history of Sailability, from the beginnings off the beach, to the building of the pontoon, and our advances from a 2-boat club to a 10-boat club.

Keith Woodward was there to tell us about how the pontoon happened, complete with photos and memories. Gene Scott sent us a very moving message letting us know that he is still around and missing us.

The Mayor of Northern Beaches Council, Michael Regan, reminded us of some of the things we get up to at Sailability, and explained his deep admiration of our organisation.

Zali Steggall, our Federal Member, and her chief of staff, Bronwen, also expressed some thoughts about some of our activities, and encouraged us to request funds from the Government to help us into the future.

**Our Volunteer of the Year** this year is John Weaver, because he has been present at most of our activities; always working hard; helping with a large range of activities; especially this year when we have achieved a RADIO FOR EVERY BOAT. He is the energy behind this improvement to our routines and will be teaching us all how to use them.

The excellent program just sailed along and in no time at all, it seemed the evening had come to a delightful close, with the usual volunteer get-together, where everyone jumps in to do all the work, making it easy for everyone.

Keith Woodward with Ivan Demeny and Denis Linney, winners of the Wayne Black Trophy.

## May: Volunteer Recognition Month

Much like most non-profit organisations around the world, Sailability Manly would cease to function without the dedication and hard work of its incredible volunteers. According to Volunteering Australia ([www.volunteeringaustralia.org](http://www.volunteeringaustralia.org)), almost six million volunteers around the country contribute over 600 million hours to helping others each year. May is known as the month for celebrating these generous volunteers and encouraging increased volunteerism in all forms, by people of all ages.

The theme of **National Volunteer Week** (17 – 23 May) this year was "Recognise. Reconnect. Reimagine."

Sailability Manly kicked this theme off a bit earlier on 5 May, holding its **25th Annual Volunteer Recognition Evening** at the Manly Yacht Club.

Among our VIP guest speakers were Warringah MP Zali Steggall OAM and Northern Beaches Council Mayor Michael Regan, whose partner (and Zali's Chief of Staff) Bronwen Regan was also in attendance.

Jennie Fogarty and Zali Steggall

Bronwen and Michael Regan

**The 2021 Sailability Manly VRE** was a smashing success! Over 50 volunteers and their guests arrived around 6:00 pm to the festively decorated Manly Yacht

Club; each greeted in the balloon-filled entryway with warm smiles from Jackie Morgan and our talented photographer, Caroline Holdstock. A welcome glass of Champagne and a small volunteer appreciation gift were generously handed out to each new arrival as well. Upon entering the MYC main room, it was difficult not to notice the smell of the exquisite floral bouquets on each table, which transformed the occasion into a botanical delight. After a bit of mingling amongst the handsomely dressed group, everyone took their chosen seats at the family-style tables and Jackie kicked off as our lovely Emcee of the evening.

Jackie delivered an entertaining opening welcome and introduced our Committee President Warwick McKenzie; we enjoyed an incredible string of VIP Speakers. The mic was handed over to the very articulate Northern Beaches Council Mayor Michael Regan, who tugged on all our heartstrings when he spoke about the Gunnedah Project, which took place in the middle of the January 2019 drought. Next Zali Steggall, our local Member for Warringah, gave a wonderfully encouraging speech and promised to come out for a sail when the weather warms up!

At this point, fabulous Chef Felix announced dinner was ready. In an organised fashion, we all took to lining up at the buffet table and piled our plates with a variety of delicious salads, sides, pastas and proteins. The food was delightfully tasty, and the Champagne and conversation continued to flow.

Global Accessibility Awareness Day

We also observed the tenth **Global Accessibility Awareness Day (GAAD)** on 20 May, which is a day designed to help get people talking, thinking and learning about digital access / inclusion for people with different disabilities. One Billion people worldwide live with a disability and are considerably underserved by digital products due to visual, hearing, motor and cognitive barriers. For more information and tips on ways you can commit to inclusion please visit <https://globalaccessibilityawarenessday.org/>.

### Volunteer Radio Training, 12 & 16 June 2021

As part of a grant application to the Northern Beaches Council and Sailability NSW, we received nine radios and must train our volunteers to use them safe and effectively.

John Weaver has written a very comprehensive Radio Training Course for the use of these particular radios in our local sailing area. The beginning part of the course will have participants explore managing the actual radios and learning the controls. After some shore practice and theory, we will take to the water in our boats and practice in the environment where they will be used.

Continued on next page...

### The 2021 Sailability Manly VRE ...

Next David, a member of the Committee, presented as our historical perspectives speaker and also spoke about the wonderful cabinets he helped build for our use. Then as a special treat, an old slideshow of photos and videos taken from the days when the Pontoon and its ramp were built played on the monitor screen as Keith (a Marine Architect) wowed us all with his story of the creation of the MYC Pontoon, his dream and its ultimate culmination.

progress images of the pontoon being built

The magical evening continued and as dessert was served our revered President, Warwick thanked everyone for attending and spoke about the importance of our tireless volunteers. He also presented Eli with a special gift certificate, just a small thank you for all that she does.

Warwick and Eli

After a few words from Eli, she segued to the highly anticipated presentation of the Wayne Black trophy for Best Sailor (Denis Linney) and Best Crew (Ivan Demeny).

Ivan and Denis

The mic was handed back to our gregarious Emcee, Jacky who then sang "Happy Birthday" to Caroline.

Eli and John

Eli ended the night on a high as she presented the Volunteer of the Year award to John Weaver for his ongoing commitment and contribution to the Radio Program we are soon to enjoy.

We'd also like to extend a very special thank you to the VRE Committee - Jackie, David, Ragnhild, Caroline (photos), Chef Felix and Jennie (flowers) for time spent organising an unforgettable evening for all attendees!

## SAILABILITY MANLY TRIVIA QUESTION from the APRIL EDITION:

**WHAT YEAR WAS THE PONTOON AT MYC BUILT?**

**ANSWER:** The pontoon build was completed in August 2002. Conceived by Keith Woodward, built by members of Manly Yacht Club and Sailability Manly volunteers, the project took two years to complete. The pontoon was launched on a cold, dark, wet August night in 2002, the date of the highest tide for that year. Only volunteer labour was used, including the architectural plans, and special deals on all materials were negotiated.

Were you one of the many volunteers?

## WELCOME SOLACE *racing as* MANLY SAILING SOLACE

Manly Yacht Club welcomes *SOLACE* - MYC 409, a beautiful Jeanneau Sun Odyssey 409 to the fleet.

Long term MYC member, previous Junior Race Director and casual instructor at Manly Sailing, Xavier is now the proud owner of this stunning example of a luxurious French yacht... Hahaha... yes, 3 cabins / 2 heads / a fully equipped galley and even a BBQ are just some of the novelties for this avid yacht racer who started sailing at MYC on an Etchell 22 back in 2001.

"I am very keen to share my passion for sailing and love for Sydney Harbour and the East Coast of Australia with as many as possible".

MANLY SAILING

As part of Manly Sailing's growing product and service offering *SOLACE* is now available for private skippered charters, weekend getaways, International Yacht Training courses as well a social club racing (this Winter Series is only the beginning).

Look her up on *SOLACE* @ Manly Sailing and tell your friends !!
